

REMARKS

Claim 5 stands rejected under 35 U.S.C. 112, second paragraph, as being indefinite; under 35 U.S.C. 101 as being directed to non-statutory subject matter. Claim 5 has been canceled without prejudice. New claims 6-7 have been added, no new matter has been added. Claims 1-4 and 6-7 are pending.

Further, In the Office Action, the Examiner suggested adding headings to the specification. Applicant gratefully acknowledges the Examiner's suggestion, however respectfully declines to add the headings as they are not required in accordance with MPEP §608.01(a).

Applicants appreciate the Examiner indication that claims 1-4 are allowable. Applicants submit that claims 6-7, substantially recite similar limitations, and are therefore allowable for the same reasons.

In view of the foregoing amendments and remarks, favorable reconsideration and early passage to issue of the present application are respectfully solicited.

Respectfully submitted,
